AUTUMN | WINTER 2019

Thomas Cook Boot and Clothing Co.

What's behind our logo?

You might have wondered about the origin of Thomas Cook's horseman logo.

Since our humble beginnings in 1924 we have dedicated our business to making quality clothing and footwear that's ideally suited to the Australian lifestyle.

My late grandfather's life's work was to put quality and integrity into everything he made. That aim lives with us today.

Inspired by this image from 'The Man from Snowy River 2' movie that featured our products, our horseman logo seemed to say it all. Heritage, quality, country style.

So there's a promise behind our logo – that our heritage can add quality and style to your life.
